## Employment Services FOR EMPLOYERS

The Immigrant Centre is an immigrant service agency dedicated to providing a comprehensive range of no-cost services and programs that support and facilitate the integration of newcomers to Manitoba.

### Services to Employers Include:

- Assessment and referral of qualified candidates
- Posting of your job opportunities (no limit)
- On-the-job training and coaching available
- Opportunity to participate in Employer forums
- Preference status to attend our job fairs
- Permanent recruitment according to your specifications
- Resources for your immigrant workforce
- Assistance for reference checks, on request

### How do you refer potential candidates?

When we receive your posting, we will post it on our job board and distribute among our employment facilitators. After reviewing your requirements and specifications, we will select a few potential candidates and refer them directly to you.

### How can I send my postings?

Please send postings to us by either fax or e-mail.
