Facilitator needs:

- magnetic whiteboard
- whiteboard markers

Procedure: Warm-up 15 min
Work-out 60 min

Procedure: Brainstorm and get the group's attention by asking the following questions: "**What holidays do you celebrate in your home country?**" "**Do you know what holidays Canadian people celebrate during summer?**" After the group sharing, introduce the topic - **Canada Day**. The key frame sentences are:

1. Do you celebrate a National Day in your country?

2. Work-out Activity :

Whole class Practice Drill #1: Have participants repeat the verbal phrases, vocabulary and sentences.

Review Canada Day activities and vocabulary by holding up the pictures and words, and then asking the whole group to repeat the prompts.

A: "On Canada Day, people attend the Celebration Ceremony."

B: "On Canada Day, kids join the Canada Day Bike Parade."

C. "On Canada Day, people have their face painted."

E. "On Canada Day, people eat Canada Day cake."

Whole Class Practice Drill #2: Have participants say the correct sentence that matches the picture prompt.

This is how it works: Hold up one of the pictures, for example, " watch the Canada Day Parade". Ask the whole group: "**What do people do on Canada Day?**" so that they will reply "**People watch Canada Day Parade.**" Continue with the other pictures.

Alternate between asking the whole group and individual participants.

- **Model all** of the partner activities before doing **Drill 2**, and make sure that the participants understand your instructions.
- **Partner Practice Drill:** Give each pair of participants a set of the words and pictures. Ask participants to work with their partners to practice the frame sentence "***What do people do on Canada Day??***"

They then get a picture or word card from the pile and answer the frame sentence. For example: "***They watch a baseball game.***"

- Play the memory game with the whole group by saying one word and then calling on a participant to use the word in a sentence. Then have the group repeat the answer sentence aloud.
