(Adapted from: The Online Teacher Resource)

30-45 minutes

Beginner Level

Work-Out:

Materials: Participants need: Bingo card, chips or marker

Facilitator needs:

- White board and white board marker.
- A set of pictures of spring and a set of spring vocabulary picture and word cards.
- Bingo caller's card and the vocabulary list of spring.

Preparation needed: You will need one set of cut out the words and pictures about the spring vocabulary for each two students.

Procedure: *Introduce the Activity* :(25 minutes)

- 1) Review spring vocabulary by holding up the pictures and words and asking the class to repeat the pronunciation. (5min)
- 2) Students work in partners to match the picture with the words (15 min).
- 3) Introduce how to use the spring vocabulary in frame sentences such as "***In spring, I can see***" Or "***In spring, I likeI don't like***"Or "***In spring, do you like ...?***" (10 min)
- 4) ***Demonstrate or model the exercises with a volunteer learner: (5 min)***

For example:

A: What can you see in spring?

B: In spring, I can see flowers.

Or:

A: What do you like in spring?

B: In spring, I like (green) grass.

- 5) Students use the picture and word cards. They draw a picture or word card from the pile and use the word in a sentence. They can use the frame sentences "***What do you see in spring?***" and "***What do you like in spring?***" or one of their own sentences, if they know how to use the word in other sentences. (15 min)
- 6) Play the Bingo game (15 min). Say the word in one of the frame sentences. The learners repeat the sentence out loud after the teacher and look for the key word on their card. Encourage natural linking in the sentences ("whaddaya see in")
