## Summer Safety & Vocabulary Bingo

60 minutes

Beginner Level

### Warm-up/Work-Out

**Materials:** Participants need: Bingo card, chips or marker

Facilitator needs:

- White board and white board marker.
- A set of pictures of summer safety, a set of summer safety vocabulary, and word cards.
- Bingo caller's card and the vocabulary list of summer safety.

**Preparation needed:** You will need one set of cut out the words and pictures about the Summer safety vocabulary for each group of two students.

### Procedure:

#### Warm-up activity:

- **Whole class Practice Drill #1:** participants repeat the sentences. Review summer safety vocabulary by holding up the pictures and words, and asking the whole group to repeat the pronunciation. "**In summer, I need to put on sunscreen.**" Or "**I need to wear sun glasses in summer.**" (10 min)

#### Workout activity:

- **Whole class Practice Drill #2:** participants say the correct sentence that matches the picture prompt. Hold up a card of one of the cards; for example, "**wear sunglasses**". Then ask the group: "**What do you need to wear in summer?**" so that they will reply "**In summer, I need to wear sunglasses**". Continue with the other cards. Alternate between asking the whole group, and individual students. (10 min)
- **Model all** of the partner activities before the students do the activities.
- **Partner Practice Drill:** Each participant gets a set of the words and pictures. Ask participants work with partners to practice the frame sentence "**What do you \_\_\_\_\_ ?**" They draw a picture or word card from the pile and ask their partner to give the answer to the frame sentence "**What do you \_\_\_\_\_ ?**" (10 min)
- **Fluency practice:** Provide the following suggestions of frame sentence that they could use to ask their partner. "**Do you like to....**" "**How often do you....**" Review adverbs of frequency on the board "**never, sometimes, usually, always**". They can also use one of their own sentences to ask their partner something that they want to know related to the topic. (E.g. "**In your home country did you....**") (10 min)
- **Memory game:** Students can play a memory game with the cut out cards. When they get a match, they need to correctly answer a question from their partner in order to keep the cards. (10 min)

#### Cool down activity:

- 1) Play the Bingo game Say the word in one of the frame sentences. The learners repeat the sentence out loud after the teacher, and look for the key word on their card. Students who get three in a row call out "bingo" and have to use the three words in correct sentences. (10 min)

2) Encourage natural linking in the sentences ("whaddaya need to wear in ....")

## "In summer, I need to....."

Cut out along the dotted lines

wear sunglasses

wear sunscreen

wear a sun hat

use a sun umbrella

use mosquito spray

use a water bottle

100
