Note to the facilitators:

Valentine's Day is on February 14th. It is a special day to celebrate love and friendship. On Valentine's Day, Canadian people give cards, candy, and flowers to the ones they love. School children make and sign Valentine's Day cards at home and bring them to school for their classmates. At school, some teachers show their students how to make Valentine's Day cards for their parents. Adults listen to romantic music, write love letters to each other, and eat out at restaurants. The popular colors are red and pink, and the popular symbols are red hearts, red roses, teddy bears, bows and arrows, and Cupid. Cupid is a mythical figure. He is a winged **god of love** and the son of Venus. (Source: www.busyteacher.com)
