We are looking to fill **4 positions** (any combination of cooks and servers). We are willing to train those with the right attitude! Compensation will be based on qualifications and will include bonus and gratuities in addition to your base wage. Full-time hours guaranteed.

Ashern is a lovely rural community in the Interlake region with a hospital, schools, grocery stores, and local amenities. There is regular Greyhound bus service between Ashern and Winnipeg every day (but not often enough to commute from Winnipeg). We will assist you with finding accommodations in town. Our ideal would be to find a group of people willing to share a house, as the rental market is small in Ashern. The good news is rent is very reasonable!
